

What to bring to Stamp-A-Rama October 2017

We ask you to bring some basic supplies (this is to keep the cost of our admission to a reasonable amount). We will provide all the cut materials for the projects, any additional materials, printed instructions and technique notes.

Please bring this basic stamping kit including:

- Clear blocks C and I. Block "C" is approximately 2 1/4" x 2" in size. Block "I" is approximately 6" x 2 1/4".
- adhesive (double sided tape like Stampin' Up's SNAIL or FAST FUSE is recommended)
- scissors
- bone folder
- dimensionals
- stamp cleaner or baby wipes
- blender pen
- archival Black Inkpad (Memento Ink, Archival Basic Black)
- Versamark pad
- glue dots to attach bows, small bits
- swap cards (only if you have signed up for one of our organized swaps)

PLEASE LABEL all of your supplies!

If you need to purchase any of these supplies, please contact your Stampin' Up! demonstrator immediately or send an email to info@stamparama.com.

You might also want to **bring a camera** to take pictures of all the samples and WOW demonstrations. We ask that you do not film/video tape the presentations as this is disruptive to other participants trying to watch the presentations.

Let us know if you have any questions by sending an email to info@stamparama.com

Your Organizers,

Jenn Tinline & Sofi Daniels
