

Stamp-A-Rama October 2019 ~ Special Offers

We are excited to offer our Stamp-A-Rama attendees a special offer. The new *Holiday Catalogue* has lots of gorgeous Designer Series Papers and new ribbons.

If you are like us, you'll want them all!! Here's a way to do it, without breaking the bank: **Join our Shares!!**

We buy the papers and ribbons as a group and divide them up, so each person gets a usable amount. You will pay a fraction of the price to get a little bit of everything. **We have three share options.** Pick your favourite or get them all and save a little bit more. And with these prices you might want to double up too!

How It Works:

Crafters sign up for the share. Each share group consists of 8 people. As per Stampin' UP! Rules, we can only order the materials once we have all shares assigned. Once the groups are full, we place the order. When the items arrive, we sort them, divide them, cut them, and bag and label them. We bring the shares all packaged up to Stamp-A-Rama for you to pick up!
